I don't recall donating this Norwegian Folk Costume. Maybe a Breidablik family member donated it.

The only piece of clothing we donated was a Breidablik Lodge Flag Team uniform Circa late 1970's.

Re: Documentation from Breidablik Lodge #10 of donated items

Dear Gerry,

I want to report on the disposition of your Breidablik Lodge #10 documentation that you forwarded to me for action on behalf of the Grand Lodge. I have forwarded your copies to the Grand Lodge Historian, Linda Leraas Ray, who will archive them with other Breidablik historical records in her possession. Normally, when a lodge disbands, the records are forwarded to the GL Historian who may sometimes use them as part of her historical display at GL Conventions. Linda will determine if the letters and inventory lists can be downloaded to the DoN website. I will refer that to her and our Webmaster coordinator for follow-up, as well as our GL President, Janna.

Your detailed copies of the items donated to the Nordic Heritage Museum and Breidablik Elementary School will provide a good resource for anyone desiring more historical information about Breidablik Lodge.

Thank you for all your research on behalf of your beloved Breidablik Lodge and your wonderful desire to preserve the memories of such an important part of Daughters of Norway history in honor of your sisters.

Should you have any further questions, please feel free to contact me, either by mail or by phone (see above.) If you would like me to contact you by phone, please send me your phone number.

Sisterly,
Karen Erickson
Grand Lodge Secretary
