[Book your group rate for Daughters of Norway](#)

The dates on the link have been changed to Wednesday, July 16; Thursday, 7/17; Friday, 7/18; Saturday, 7/19; checking out Sunday, the 20th. Anyone wanting to book a room to include Tuesday, July 15 will need to call direct to the hotel (605-331-0100) and ask for the Daughters of Norway group rate, as that date is no longer available through the link.

The link also now has an option to select a room with 1 or 2 beds when making the reservation. For those who previously made a reservation without that option, find your confirmation number and go online to select one or two beds.

The hotel and computer reservation system will only show 2 guests per room for the block rate rooms. The rate is the same whether there are 1, 2, or 3 persons staying in the room.

At check-in, a registered guest is normally issued 2 key cards, but can request a third card and give the 3rd guest's name at the desk. Extra towels, washcloths, etc. can also be requested at that time or any time during the stay.

The Hotel's Cancellation Policy: No charge if the reservation is canceled by 11:59 PM local hotel time 48 hours before the check-in-date.

The block room rate provides for two breakfast vouchers per day per room. A 3rd room guest would need to pay for their own breakfast in the hotel restaurant or charge it to the room. A 3rd or 4th person in a room will have to pay for their breakfast: Continental=\$10/day or breakfast buffet=\$20/day.
